WORK EXPERIENCE

Meta (Facebook App), *Product Design Intern*

MENLO PARK, CALIFORNIA | MAY 2022 - AUGUST 2022

- Designed features for Stars, a tool that helps creators monetize their content across the Facebook platform
- Led visual and interaction design of a Stars feature on Facebook Live and collaborated with cross-functional engineering and product design partners to approve designs for development
- Built high-complexity prototypes with heavy animation and logic using Origami and Protopie

Yahoo!, *Product Design Intern*

REMOTE, USA | JUNE 2021 - AUGUST 2021

- Prototyped and designed for Yahoo Home and News products
- Created three high fidelity prototypes using HTML/CSS/JQuery, Protopie, and Figma to hand off to UX Research and Engineering teams
- Devised a streamlined structure and layout for Yahoo's internal design system website

The 2.0 Collective, *Design Intern*

REMOTE, USA | MARCH 2021 - MAY 2021

- Designed wireframes, user journeys, and high-fidelity web application prototypes
- Created in-depth research plans and conducted 8 user interviews to uncover pain points and validate key solutions

MIT Media Lab: Project Us, *UX Engineer*

BOSTON, MA | SEPTEMBER 2020 - JANUARY 2021

- Designed, coded, and implemented the front-end of the Project Us experimental website using Figma, HTML/CSS/JQuery, and Python/Flask

EXTRACURRICULARS

MIT 6.902 Design Thinking and Innovation Leadership for Engineers, *Teaching Assistant*

BOSTON, MA | AUGUST 2022 - PRESENT

Wellesley CS204 Front End Web Development, *Teaching Assistant*

WELLESLEY, MA | AUGUST 2022 - PRESENT

UNICEF: Develop for Good Winter Cycle, *UX Designer*

REMOTE, USA | NOVEMBER 2021 - FEBRUARY 2022

Wellesley CS111 Intro to Computer Programming, *Teaching Assistant*

WELLESLEY, MA | JANUARY 2020 - MAY 2022

- Facilitated weekly 5 hour drop-in hours to support 10 or more students
- Participated in weekly labs and advise over 20 students on in-class coding exercises

LEADERSHIP EXPERIENCE

Wellesley in Product, *Co-President*

Babson Olin Wellesley Project W, *Head of Design*
